Annual Conference
AIATSIS
51 Lawson Crescent, Acton ACT 2601
Wednesday 25th and Thursday 26th October 2017

This year's conference theme 'Taking it On - Audio Archiving for the Next Generation' explores the impact of generational change on sound and audiovisual archives. How might a new generation of globally connected sound practitioners and archivists and equipped with 21st Century skill sets transform our thinking about sound archives? What will the next generations want from our sound archives? How does the legacy of past and present generations of archivists meet their needs, and where does it fall short?

The conference will be held over 2 days from Wednesday 25th of October to Thursday 26th October 2017. The conference dinner will be held at 7:30 pm at "The Duxton" 8 Macpherson St, O'Connor ACT.
